11. The right to refuse from a banking product service based on a contract concluded by remote communication means:

- 11.1. **The client** shall have the right, within 14 (fourteen) calendar days from the signing/confirmation of the **contract/application**, without specifying any grounds, to refuse from the banking product service received under the **contract concluded by remote communication** means. If the fourteenth calendar day coincides with a non-working day, the application can be submitted at any service centre of the bank and/or through the **bank's** call centre (number: 032 2424242) on the following working day.

- 11.2. For the purposes of the order of the National Bank of Georgia “**on the approval of the rules for the protection of consumer rights during the provision of services by financial organizations**”, **the contract** shall be considered to be concluded remotely if the contract is confirmed to be concluded through the service of a remote communication means and does not require the physical presence of the **client** and the **bank** representative.
- 11.3. It is possible for the **client** to register the application about his/her refusal from the **contract/banking product service** in the remote channel <https://mycredo.ge/>, by checking and confirming the contract refusal button and/or by submitting the application (written, standard written) to the service centre(s). A standard written form is available at any service centre of the **bank**.
- 11.4. The term of the right to refuse from **the contract/banking product service** shall start: a) from the moment of signing/confirming the **contract/application** concluded/filed remotely; b) within 14 (fourteen) calendar days from the moment of receiving the **contract**, if the **contract** is delivered to **the client** after the conclusion/confirmation of **the contract**.
- 11.5. The right to withdraw from **the contract** shall not apply to **banking products/services** activated remotely:
- Payment operation;
 - Withdrawal operation;
 - Money transfer;
 - Currency exchange;
 - Banking services, which were fully performed by both parties based on the clear and explicit request of the client, before the client exercised the right to withdraw from the contract;
 - Agreement on deposit;
- 11.6. In case of refusal from **the contract/banking product service**, **the client** will be charged with the obligation to reimburse the cost in proportion to the service actually provided by **the bank** and to the period, on the day of registering/sending the notice of refusal from the contract immediately, but no later than 30 (thirty) calendar days after sending the said notice, in addition, **the bank** has the right to impose on **the client** the obligation to reimburse the expenses incurred/to be incurred by the financial organization for the third party (if any).
- 11.7. **The bank** is obliged to return to **the client** the amount in full paid by the client within the framework of **the contract** concluded remotely, immediately on the day of receiving the notification about the refusal from **the contract/banking product service**, but no later than 30 (thirty) calendar days from the day of receipt, which **the client** has paid to **the bank** within the framework of banking services, minus the amount/reimbursable expense in proportion to the **banking product service** and period actually provided by the bank.
- 11.8. In case of cancellation of **the banking product service** received on the basis of a **contract** concluded remotely, **the client** will not be reimbursed the service cost(s) already incurred by **the bank**, the commissions paid for carrying out transactions/operations already performed/completed within the framework of the banking service, and the expenses incurred/to be incurred by the bank in relation to the third parties shall not be refunded to **the client**; in addition, in case of cancellation of the card, the cost of making any type of card and related expenses, the cost of card delivery/postal service will not be refunded, as well as the PIN code submission service fees;
- 11.9. In case of refusal from **the contract/banking product service** concluded remotely, any other contract related to the terminated service (only in relation to this contract) concluded with **the bank** or a third party based on the existing contract between **the bank** and the third party shall be also cancelled. In this case, **the bank** must immediately inform both **the client** and the third party about the cancellation of the related contract concluded using remote communication means. **The client** shall have the right to refuse from the cancellation of the related contract, about which he /she should apply to **the bank** with an application and shall continue to receive services under the standard conditions and rates established by **the bank**.
- 11.10. In the case of the refusal to accept the **contract/banking product service** by **the client**, **the contract** shall be deemed terminated after the parties have completed the payments specified in the said **contract**.
- 11.11. In the event that the client does not ensure the payment of the payments provided for in **the contract** no later than 30 (thirty) calendar days after the notice of refusal, **the client** shall lose the right to refuse and the contract will continue with standard terms and rates.

- 11.12. **The client** is obliged to pay the service fee specified in **the contract** and the tariffs specified **in the contract**, regardless of the registration of the refusal from **the contract/banking product service** that have been registered until the date of termination of the contract.
- 11.13. It shall not be allowed for **the client** to withdraw from **the contract**, in particular, to refuse from **the account** service, and closure of **the account**, if:
- The account is an active credit service account and/or **the client** has any kind of debt/monetary obligation to **the bank**;
 - The amount in the **account** is collateral to secure the obligations arising from **banking products/services**;
 - A positive balance is credited to **the account**;
 - **The account** has a limitation (collection/confiscation);
 - a deposit and/or current account is opened based on the **deposit agreement**;

 - The money transfer (receiving/sending) service has not been completed;
 - A non-credit debt/monetary liability is charged to the **client's account**;
 - Funds on **the account** are blocked;
 - In other cases, if **the account** is related to any kind of **banking product** and **the relevant banking product** is active, the **client** shall use the said **banking product**.
- 11.14. It shall not be allowed to close the **client's** last account in national currency until **the client** has opened an account in foreign currency in **the bank**.
- 11.15. In the event that **the client** refuses from **the card**, together with the termination of banking services related to **the card**, the services related to the card shall be terminated, namely, the insurance of the card (if any).
- 11.16. In case of refusal from using the account service, **the client** is obliged to ensure the withdrawal of the amount after the payment of the amount to be paid by **the bank**, otherwise **the bank** is entitled to close the account without **the client's** consent, and if the amount is placed in **the account** at the moment of closure, transfer it to any other type of active account opened in the name of **the client**. In the event that **the client** does not have another **account**, the account cannot be closed, and **the bank** has the right to no longer accept payments/deposits to the account (except for those payments that are necessary to cover any indebtedness accrued (existing) on the account and/or any type of debt owed to the bank), and at the **client's** request, to return the balance on the account to **the client** and close **the account**.
- 11.17. In case **the client** requests to cancel/close the service of the last account, all types of remote banking services, including but not limited to **SMS message service**, the card will be automatically terminated to the client and the fees paid for the services provided by banking products will be refunded to the client in proportion to the services the period actually provided.
- 11.18. In the event that **the client** uses a card issued by the **client's** employer within the framework of using the **bank's** salary program, in the event that the client's employer refuses from the salary program, the conditions related to banking services, which **the client** used based on the salary program, shall be cancelled for **the client**. In addition, in such a case, the standard rates and conditions established by **the bank** will apply to **the client**.
- 11.19. In the event that **the client** refuses from any package/service offered by **the bank**, from the moment of termination of the package service, the rates and conditions established by **the bank** for the relevant **banking product/banking service** will apply for using **the banking product/banking service** included in the package. However, along with the termination of the service of any package, the banking product/banking service (if any) exclusively developed/intended for this package shall be cancelled.

12. Change of the Agreement conditions

- 12.1. The Bank shall be authorized, at any time, to change the **conditions of the Agreement** (including the conditions of any bank product and the amount of commission) on the Website, service centers (and/or in any other form defined by the Bank) by way of placing appropriate information, unless other procedure is established by the Bank for the Product and/or by the Legislation for the provision of information to the Client. In the case the mentioned change: a) **does not worsen the condition of the Client**, the Bank shall be released from the obligation to send a prior notification, where the mentioned change enters

into force on the Banking Day that follows the delivery of the notification to the Client and/or from the day of its promulgation, unless the Bank determines other conditions (or term); b) **worsen the condition of the Client**, the **Bank shall be obliged to inform the Client on the mentioned change in advance, no less than 1 (one) month earlier**, via e-mail, SMS, courier's service and/or a communication channel defined by a particular loan product. Besides, if the Client does not agree with the worsened conditions, he/she shall be authorized to inform the Bank on the changes before the entry into force of such changes and to stop using the relevant Bank Product, otherwise the change requested by the Bank shall be deemed confirmed by the Client.

- 12.2. The Bank **shall not be held responsible to inform the Client in advance** on the change of the terms of the Agreement, which:
- a) **does not worsen the Client's conditions**; b) **is related to the change of technical procedures** determined by the Bank within the scope of use of the Bank Product; c) **is related to the introduction of new Bank Products** and/or to the change of the conditions of the existed Bank Products (**except for the increase of commissions**).

13. Effective period and termination of the Agreement

- 13.1. **The Agreement shall enter into force** from the moment of signing the Application for consent to the Standard Conditions by the Client and shall be in force until the **obligations undertaken by the Parties are fully fulfilled**.
- 13.2. **The conditions** related to separate Bank products shall enter into force from the **signature of the Application** for the Bank Product by the Client and from the date of confirming (among them, by way of sending a notification, and by way of certain action) by the Bank and shall be valid until the obligations undertaken by the Parties under the **Bank Products are fully performed**.

14. General Provisions

- 14.1. In the case of **inconsistencies between the Standard Conditions and the Annexes of the Bank Products**, the conditions defined **by the annexes** of the Bank Products shall **prevail**.
- 14.2. **On the basis of the Agreement** the Client shall fulfill the obligations personally. The Client shall not be authorized to assign his/her rights and obligations **to the Third Party fully or partially**, without the prior written consent of the Bank, though the mentioned restriction does not exclude **the Bank's authority to obtain any performance** (matured and non-matured claim) from the **Third Person**.
- 14.3. In the case where any provision of the **Agreement** cannot be applied on the Client due to his/her status, the mentioned shall not cause the cancellation of the entire Agreement and **only those provisions shall apply** to the Client, which, based on his/her status, may be applied on such Client.
- 14.4. All matters that are not regulated **by the Agreement** shall be regulated based on **the Legislation**.
